International Cancer Control Partnership

• supporting country cancer control planning efforts
• one-stop shop for cancer planners and policy-makers [http://www.iccp-]
Tools to foster discussion and assist policy makers, clinicians and advocates in identifying and prioritizing resource-appropriate interventions in the planning and development of breast cancer control programs.

KNOWLEDGE SUMMARIES
FOR COMPREHENSIVE BREAST CANCER CONTROL

Core Volumes

- Planning
- Prevention
- Early Detection
- Diagnosis
- Treatment
- Palliative and Survivorship care

Comprehensive Planning: Call to Action
- Improving Access
- Risk Factors and Prevention
- Early Diagnosis: Awareness and CBE
- Screening: Mammography
- Clinical Assessment, Imaging & Staging
- Biopsies and Pathology
- Surgery
- Radiation Therapy
- Chemotherapy
- Hormonal Therapy & Targeted Agent

During Treatment
- After Curative therapy
- Metastatic and Recurrent disease
NCI Funding Opportunities

- **Dissemination and Implementation Research in Health (Clinical Trial Optional)** FOA to encourage research grant applications that will identify, develop, test, evaluate and/or refine strategies to disseminate and implement evidence-based practices into public health, clinical practice, and community settings.
  
  
  

- **Exploratory/Developmental Grants Program for Basic Research in Cancer Health Disparities** FOA to encourage grant applications from investigators interested in conducting basic research studies into the biological/genetic causes and mechanisms of cancer health disparities.
  
The Global Challenge to Prevent Breast Cancer is looking for game-changing ideas to help launch an entirely new direction in breast cancer research -- focused on primary prevention.

- Two grand prize winners will receive $5,000, public recognition, opportunity to help CBCRP bring idea to fruition
- Looking for ideas from individuals and teams, researchers and advocates, across the world
- Applications due January 7, 2019

Submit your bold idea today at ToPreventBreastCancer.org.
