Communication And Cancer Resource List
Presented by Leslie Vietmeier, ARNP-BC
Seattle Cancer Care Alliance Survivorship Clinic
Fred Hutchinson Cancer Research Center Survivorship Program

Communication is the exchange of thoughts, messages, or information, as by speech, signals, writing, or behavior.

- 100 Questions & Answers About Caring for Family or Friends with Cancer. Susannah L. Rose, MS, MSSW & Richard T. Hara, PhD, MSSW. Jones and Bartlett Publishers. 2011.
• We Carry Each Other: Getting Through Life’s Toughest Times. What to say, what to do, how to care with compassion. Eric and Sharon Langshur. 2007.

The single biggest problem in communication is the illusion that it has taken place.

George Bernard Shaw
