Cancer Immunotherapy Trials Network (CITN)

**FHCRC**
- Scientific Leadership
- Lab management

**HVTN**
- Fiscal management
- Regulatory

**COSC**
- Trial development, operations, and trial oversight

**NCI**
- Biometrics Research Branch
- Data Management

**CTSU**
- Trial logistical support
- Regulatory support

**CTMB**
- Site audits/monitoring

**Cancer Therapy Evaluation Program (CTEP)**
- LOI and Protocol approval

**Biological Resources Branch/DCTC**
- Agent Prep

**Pharmaceutical Management Branch (PMB)**
- Define strategies for agent approval; access to agents; supplemental funding

**Member Sites**
- Patient enrollment
- Safety reporting
- Bio-specimen collection
- Data entry
- Protocol compliance

**Corporate Entities**
- LOI and Protocol approval
- IDB, CIB

**Axio Research**
- Data Management
- Statistical design and analysis

**Axio Research**
- Lab management

**FHCRC/UW**
- Scientific Leadership

**HVTN**
- Fiscal management

**COSC**
- Trial development, operations, and trial oversight

**Biometrics Research Branch**
- Data Management

**CTSU**
- Trial logistical support

**CTMB**
- Site audits/monitoring

**BRB/DCTD**
- Protocol Review

**IDB, CIB**
- LOI & Protocol review & approval

**RAB**
- INDs

**Cancer Immunotherapy Trials Network (CITN)**

**Fred Hutchinson Cancer Research Center**
- HVTN: HIV Vaccine Trial Network
- COSC: Central Operations and Statistical Center
- NCI: National Cancer Institute
- CTSU: Cancer Trial Support Unit
- CTMB: Clinical Trial Monitoring Branch
- RAB: Regulatory Affairs Branch
- PMB: Pharmaceutical Management Branch
