Fred Hutch LabLaunch Program 2026

Thank you for your interest in the Fred Hutch LabLaunch Program at Fred Hutch in Seattle!

PROGRAM DESCRIPTION

The Fred Hutch LabLaunch Program is a comprehensive experience that will provide cohorts of 10-12 students annually with lab skills and complementary academic training required for research and clinical lab technical positions across Fred Hutch.

The program includes a paid summer internship that provides lab technical skills training at Fred Hutch where students will be hosted in a laboratory and trained to perform laboratory technical procedures.

The internship will run from July 6th 2026, to August 14th, 2026. Students must be able to commit to the entire period to participate.

APPLICATION

This application has 2 online components — (1) this applicant section that you complete, and (2) a separate online form that your reference completes. Your reference will not receive a recommendation request until your portion is submitted. If you would like a PDF preview of the application and letter of recommendation, [please click here](#). The PDFs are for your reference only. You must use this online form to submit an application.

With the exception of essay questions, this application will take approximately 20-30 minutes to complete.

To apply, you must:

- Fill out this online form, which includes a few short-response essays.
- Provide an email address for one reference.
- Upload a PDF, PNG or JPG of your recent school transcript. Unofficial transcripts are acceptable.

ELIGIBILITY

Students should...

- Be a minimum of 18 years old by July 6th, 2026
- Be interested in the biological sciences.

Please contact hutchadvance@fredhutch.org for any questions or technical issues.
