Equal Employment Opportunity / Affirmative Action
Voluntary Self-Identification Information

Fred Hutch is an Equal Employment Opportunity and Affirmative Action employer. We seek, celebrate, and leverage diversity to support our mission and strengthen our culture of creativity, innovation, and lifesaving research and patient care. We support equal employment opportunity in hiring, development, and advancement for all qualified persons without regard to race, color, religion, age, sex, national origin, ancestry, physical or mental disability, veteran status, sexual orientation, gender identity, marital status, or any other protected status. We are required to compile the following information for statistical purposes in order to comply with federal regulations relating to Equal Employment Opportunity and Affirmative Action requirements. To comply with these requirements, we invite you to voluntarily self-identify your gender, ethnicity/race, veteran status, and disability status. Your answers will not be used against you in any way. Please know that the information obtained will be kept confidential and will only be used for government reporting purposes. When reported, data will not identify any specific individual.

Voluntary Self-Identification of Veteran Status

Fred Hutch is a government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Job for Veterans Act 2002, 38 U.S.C. 4212 (VEVRAA), which requires government contractors to take affirmative action to employ and advance in employment of (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. These classifications are defined as follows:

- **Disabled Veteran** includes any veteran of the U.S. military, ground, naval or air service who: (a) is entitled to compensation, or who but for the receipt of military retired pay would be entitled to compensation under laws administered by the Secretary of Veteran Affairs, or (b) was discharged or released from active duty because of service-connected disability.
- **Recently Separated Veteran** includes any veteran during the three-year period beginning on the date of such veteran’s discharge or release from active duty in the U.S. military, ground, naval or air service.
- **Active Duty Wartime or Campaign Badge Veteran** includes any veteran who served on active duty in the U.S. military, ground, naval or air service in a war, campaign or expedition in which a campaign badge has been authorized under the laws administered by the Department of Defense.
- **Armed Forces Service Medal Veteran** includes any veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United State military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

As a Government contractor subject to VEVRAA, we are required to submit a report to the United States Department of Labor each year identifying the number of our applicants belonging to these categories. We request this information in order to measure the effectiveness of our outreach and positive recruitment efforts we undertake pursuant to VEVRAA.

Please indicate:

- I am a protected veteran
- I am a veteran, but not a protected veteran
- I am not a veteran
Decline to Answer

Protected veterans may have additional rights under USERRA - the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor’s Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

Voluntary Self-Identification of Disability

Why are you being asked to complete this form?

Because we do business with the government, we must reach out to, hire, and provide equal opportunity to qualified people with disabilities.[Note 1] To help us measure how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for a job, any answer you give will be kept private and will not be used against you in any way.

If you already work for us, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our employees to update their information every five years. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?

You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition.

Disabilities include, but are not limited to:

- Blindness
- Deafness
- Cancer
- Diabetes
- Epilepsy
- Autism
- Cerebral palsy
- HIV/AIDS
- Schizophrenia
- Muscular dystrophy
- Post-traumatic stress disorder (PTSD)
- Obsessive compulsive disorder
- Impairments requiring the use of a wheelchair
- Intellectual disability (previously called mental retardation)

Please check one of the boxes below:

- YES, I HAVE A DISABILITY (or previously had a disability)
- NO, I DON’T HAVE A DISABILITY
- I DON’T WISH TO ANSWER
