

Cancer Rehabilitation Centers in WA State

Fred Hutch strives to meet the cancer specific rehabilitation needs of our patients by providing services at our clinic or in partnership with our colleagues at the University of Washington. If you prefer rehabilitation care closer to home, or with an outside provider, the information listed here will help you find rehabilitation professionals who have the appropriate training and experience in treating oncology patients. If you have questions about using this directory, contact the Fred Hutch Physical Therapy Department at (206) 606-6373. ***Fred Hutch does not endorse any outside rehabilitation professional and is not responsible for the care provided at these clinics.***
