## Sloan Clinic

### Sloan Clinic 1:

1354 Aloha St., Seattle, WA 98109

### Sloan Clinic 2:

820 Yale Ave. N., Seattle, WA 98109

### How do I find the right Sloan Clinic building?

The two Sloan Clinic buildings are connected but have separate parking structures and addresses. If using a mobile map app or a rideshare service, we recommend using the exact address above for the Sloan Clinic where your appointment is located. Parking in either garage will allow you to get to your clinic, but the corresponding garage or drop off area will be more convenient. The two Sloan Clinics are connected by a corridor on the first floor. If you enter Sloan Clinic 2 from the parking garage, you will be on Floor A. Take the elevator up to Floor 1 and follow the signs to enter Sloan Clinic 1.
