# Mammogram Van

A convenient way to get  
the screening you need.

To schedule your  
screening, call  
**206.606.7800**

For more information, including  
locations of the van, visit  
**FredHutch.org/Mammovan**

## Did you know?

- The appointment only takes 15 minutes.
- You do not need a referral for an annual screening mammogram.

## Eligibility

- You are eligible to get a mammogram if you have breasts and:
  - Are age 40 and over
  - Have not had a mammogram in the past year
  - Do not have any symptoms in your breasts
- To use the mammogram van, you must be able to use stairs and stand for 10 minutes without assistance.

## Please bring:

- Your medical insurance card. Most insurance plans provide for an annual mammogram but please contact your medical insurance provider **before your appointment** to confirm your eligibility.
- Funding is available to provide exams for women without insurance. Please inquire about a “Sponsored Mammogram” when scheduling your appointment
- A picture ID
- The name, phone number and address of your primary care provider.

### Do you need an interpreter?

For Spanish, Mandarin, Vietnamese, Russian and Korean, call **1.855.670.9798**. For all other languages, call **206.606.7800**. Say the name of your language. Wait until an interpreter joins your call.

Fred Hutch Breast Imaging Program is an accredited Breast Imaging Center of Excellence offering state-of-the-art digital technology with specialized radiologists dedicated exclusively to breast health.
