- Regional Breakout Groups
- Share back
- Next Steps

Announcements

Before We Start

Today's discussion includes cancer diagnosis, treatment and palliative care.

Please prioritize your well-being during today's discussion.

- You're welcome to listen, speak, use the chat, or pass.
- You can turn off your camera, step away, and rejoin when you're ready.
- Share only what you're comfortable sharing.

SAVE THE DATE

AI/AN/NH Cancer Partnership National Meeting

April 14 – 16, 2027

Muckleshoot Casino Resort
2402 Auburn Way S, Auburn, Washington 98002

Information on how and when to register, meeting times, costs, lodging, travel support, and accessibility accommodations will follow.

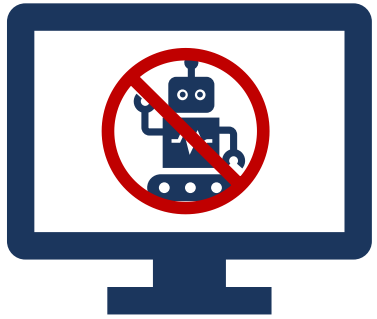

Questions? Email us at IndigenousHealth@fredhutch.org

AI/AN/NH Cancer Partnership Listserv Update

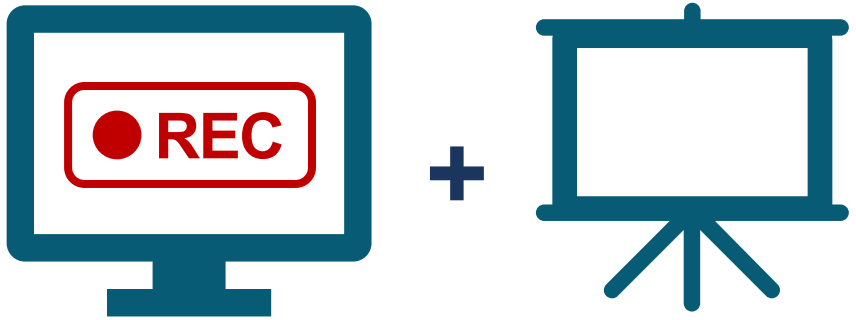

- To join or stay on the listserv, scan the QR code to complete the AI/AN/NH Cancer Partnership Listserv Form
  - **Note:** If your **cancer center** already submitted your contact information, you're all set.
- Everyone on the updated listserv will receive meeting invitations and AI/AN/NH Cancer Partnership communications.
- By **November 30, 2026**, we'll update the calendar invitations for the remaining webinars.
  - New contacts will receive an invitation, and anyone removed from the webinar invite list will receive a cancellation notice for the remaining sessions.

Housekeeping

Artificial intelligence (AI) note-taking tools are not permitted during these webinars, including breakout discussions.

Today's recording and PPT slides will be uploaded to the AI/AN/NH Cancer Partnership website by **Friday, 11/20**

April 14 –16, 2027	AI/AN/NH Cancer Consortium National Meeting	N/A

Template Submission

1. Complete one template per recommendation with your community partner.
2. Save templates for the same topic in one PDF.
3. Submit through REDCap.
    - https://redcap.iths.org/surveys/?s=AMAKK78N99944N7L

Next submission deadline: **December 8, 2026**

Regional Breakout Groups

Regional Breakout Group Discussions

1. Discuss the following questions:
    - If cancer centers and Tribal, urban Indian, and Native Hawaiian communities could work together to address one major barrier to **diagnosis, treatment and palliative care**, what should it be?
    - What steps are needed to address that major barrier?
2. Each group will have a facilitator and notetaker to guide discussion and capture recommendations.
3. Select a spokesperson to share your group's priority barrier(s) and recommended actions.
4. Rejoin the larger group to share and refine recommendations together.

Joining Your Breakout Group

Pre-assigned participants will automatically be moved to their breakout group.

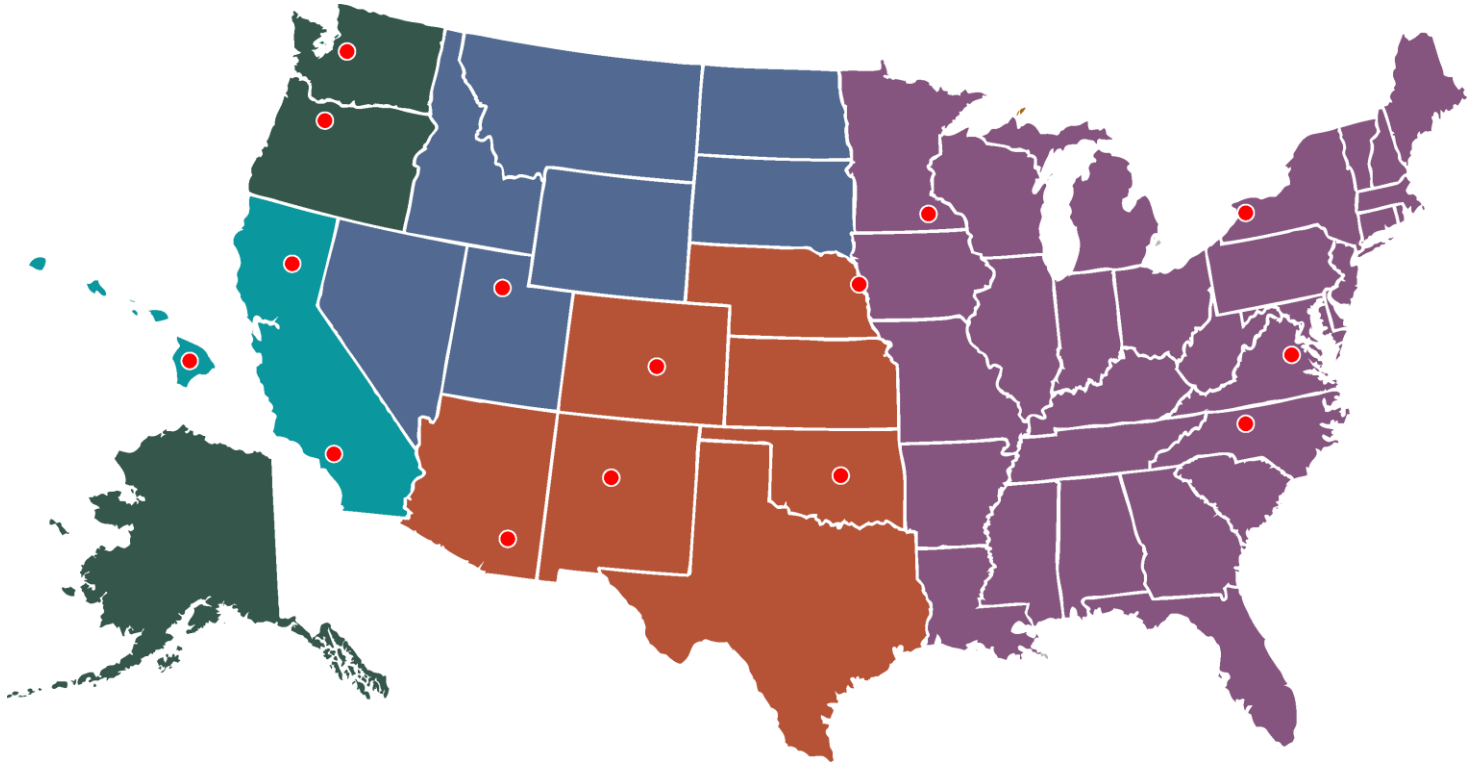

If you are not pre-assigned:

1. Find your region on the AI/AN/NH Cancer Partnership Regional Map (next slide).
2. Choose the breakout room for your region.
3. Click Join to enter the discussion.

AI/AN/NH Cancer Partnership Regions

Find your region on the map to identify your breakout group.

- Alaska + Pacific Northwest
- Pacific Coast + Hawaii
- Eastern Northern Plains + Eastern Region
- Mountains + Western Northern Plains
- Southern Plains + Southwest
- Participating NCI-Designated Cancer Centers
